“As many people as possible should share in the ownership of the land and thus be bound to it by economic interest, by the investment of love and work, by family loyalty, by memory and tradition”

- Wendell Berry, *The Unsettling of America*

- Studio Hill, one of the Steward Regenerative Capital loan recipients, is currently working to refinance their bridge loan and purchase a neighbouring property with a participated loan through Steward. They are raising \$1.4M, and are currently in the private phase of their campaign. Once they've reached 20% of their funding goal from their own network and community, we will open the project publicly for participation.
